The Announcement

In order to reduce my herd at this time I am offering at auction sale 52 head of high class Scotch Shorthorns in 45 lots in sale pavilion on farm one mile northeast of Carroll, Iowa, Wednesday, Nov. 27, 1935. Sale starting at 1 p. m. All lovers of Shorthorn cattle are cordially invited to attend this sale whether or not you wish to buy cattle.

In justice to the offering will say they are a splendid lot of choicely bred all Scotch Shorthorns. All young (only two or three that are six years old) mostly all roan in color, only a few reds and one white. In regard to breeding and bloodlines will say that I formerly owned ten of the Imported cows from which these cattle descend and also used one Imported bull Right Sort (510586). Have been breeding Shorthorn cattle for 33 years on this farm. I have always during that period realized the importance of keeping to head the herd the very best bulls of the most popular strains of the breed. Breeders will endorse this fact when I point to the four or five top sires appearing in every pedigree of this catalog, namely, Sultan Standard (334975) by Whitehall Sultan 163573. Villagers Victor 476749 by Imp. Villager (295884). And later Imp. Right Sort (510586) was probably among the best and highest priced bulls ever imported to this country. Have used a Dreadnaught and the last two are Browndale breeding. Present bull in service is Divide Inflation 1776174 bred by The Allen Cattle Co. and is full brother to twice International grand champion, Divide Sensation.

Females in the herd are all regular and rapid breeders. This year we have saved 32 calves from 33 cows, loosing one at calving time. We have not lost over 3 calves in 5 years.

The offering will be 15 young cows with calves at foot. Some will sell separately and some bred back to Divide Inflation. 16 beautifully bred young heifers, mostly all roans, mostly all open heifers and just now the right age to breed. 11 bulls, 6 yearlings and 5 under a year old.

The cattle are all sound and healthy and will be in just nice breeding condition. The herd has been under Federal supervision for several years and the usual health certificates will be furnished where necessary for outside shipments and all will be sold subject to the 60 day retest. The regular guarantee form adopted by the American Shorthorn Breeders' Association will apply a copy of same on next page.

Terms cash unless otherwise arranged before the sale.

For location see outside back cover.

Yours very truly,

J. T. JUDGE.

General Information

The rise in price of commercial cattle, the change from a condition of drouth to good pastures and excellent crop prospects and the shortage of cattle incident to the disastrous conditions of 1934, have brought about an unusual demand for breeding stock. Intelligent breeders and farmers are not content to make replacements in their herds with any but cattle of good type and quality.

There is absolutely no sounder or a more profitable way to invest money now than in good young breeding cattle. The scrub bred calf is practically unsaleable to either feeder or packer. This is most likely to be your last opportunity to buy such good young breeding stock at the present low prices. I am going to venture the prediction that breeding cattle will almost double in demand and price inside of 18 months.

LOCATION—(See outside back page).

TERMS—Cash unless otherwise arranged with clerk before sale. Carroll County State Bank will clerk the sale.

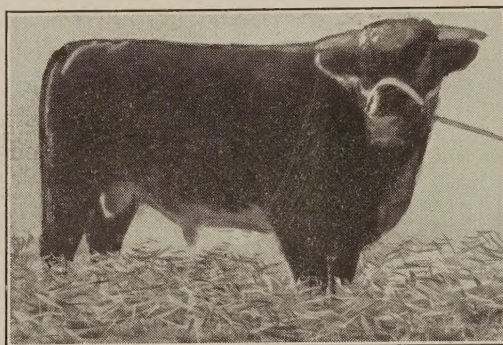

GUARANTEE—All cattle are sold subject to a sixty day re-test for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

He is in a No. 1 condition and if carried on will make a good show this year. He should have a place at the head of one of the Nation's first class herds.
